Dataset Release Agreement

The ‘IIT Roorkee Multimodal Feedback (IIT-R MMFeed) dataset’ has been compiled by [Puneet Kumar](#), Omkar Ingle, Daksh Goyal and Gaurav Bhatt at Machine Intelligence Lab, IIT Roorkee under the supervision of Prof. Balasubramanian Raman. It consists of 9,479 samples containing news text, images, user comments, and the number of likes for each comment.

For the rest of the document, the dataset implies ‘IIT-R MMFeed dataset’, and dataset-owner or simply owner stands for Machine Intelligence Lab at Indian Institute of Technology, Roorkee, India.

This dataset is released for academic research only and is free to researchers from educational or research institutes for non-commercial purposes. Please read the following eligibility criteria and fill & sign the statement on the next page to get access to the dataset.

Requestor Eligibility to access the dataset:

- The requestor must be a PhD-holding faculty at a non-profit, degree-granting, academic/research institution.
- If you are a student or researcher, please have your faculty advisor or project Principal Investigator (P.I.) submit the request form on your behalf.
- Please ensure that the following statement is signed and necessary details are provided.
- The duly filled form should be sent to us from Institute/Organization Email Id.

By completing and signing this agreement, you have accepted the above terms and conditions and agree to include the acknowledgments in your publications.

Statement of Use

I agree not to make the IIT-R TIER dataset available to the media (television, magazines, etc.) or to place them on any internet or computer-accessible websites. I also agree not to publish the dataset in any print format - including journals, conferences, newspapers, etc. I also agree that I will not provide the dataset to profit-making companies or organizations, and I agree not to distribute my dataset access to unauthorized parties.
